## Review of Strategic Objectives

- SO1 To empower patients so that they want to, and do, take responsibility for their own healthcare. This includes prevention, self care and navigation of the system.
- SO2 To deliver system wide transformation in priority areas through innovation.
- SO3 To develop Primary Care to become excellent and high performing commissioners.
- SO4 To work with the Local Authority to establish a single commissioning organisation.
- SO5 To maintain and further develop robust and effective working relationships with all stakeholders and partners to drive integrated commissioning.
- SO6 To deliver long term financial sustainability in partnership with all stakeholders through innovative investment which will benefit the whole Bury economy.
- SO7 To develop the Locality Care Organisation to a level of maturity such that it can consistently deliver high quality services in line with Commissioner's intentions.
