## Strategic themes

To deliver improved outcomes and reduce health inequalities for patients through better preventative strategies	
To deliver service re-design in priority areas through innovation	
To develop primary care to become excellent and high performing commissioners	X
To develop the CCG leadership to work with the Local Authority to be excellent integrated commissioners	
To develop robust and effective working relationships with all stakeholders and partners to drive integrated commissioning	
To deliver long term financial sustainability through effective commissioning and innovative investment across the wider system	
To develop and influence the provider landscape through development of a Locality Care Organisation (LCO)	
Equality Analysis Assessed?	Supports NHS Bury CCG Governance arrangements
