Meeting Date	27 November 2019	Action	Receive
Item No.	12	Confidential	No
Title	Risk Report		
Presented By	Margaret O'Dwyer, Director of Commissioning and Business Delivery		
Author	Lynne Byers, Risk Manager		
Clinical Lead	-		

Executive Summary

Risk management provides a systematic and consistent integrated framework through which the CCG's strategic objectives are pursued. This involves the identification of risks, threats and opportunities to achieving those objectives and taking steps to mitigate, manage and control the associated risks to delivery. This paper includes those risks assigned to the Primary Care Commissioning Committee (PCCC) in line with the Risk Management Strategy.

The report provides narrative on those risks which have been reviewed in the reporting period and specifically includes:

- risks which have no reported change in score;
- risks that have reached their target level;
- risks which have reduced in score;
- risks which have increased in score;
- risks that are proposed for closure; and
- new risks included on the register for the first time.

There are 36 risks being monitored across the organisation of which 1 is the responsibility of the Primary Care Commissioning Committee. Of the 36 total:

- 10 are strategic risks and are reported through the GBAF, 0 of which are included in the PCCC Risk Report; and
- 26 are operational risks and reported through the CCG risk register, 1 of which is included in the PCCC Risk Report.

In respect to the one risk included on the Primary Care Commissioning Committee risk register, the Committee is reminded that this risk was last reviewed in January 2019 and is not due to be reviewed again until January 2020.

Recommendations

It is recommended that the Primary Care Commissioning Committee:

- receive the risk report;
- note the risks on the risk register as reflected in Appendix A;
- note that this risk was last reviewed in January 2019 and is not due to be reviewed again until January 2020;

- note the summary position; and
- note that no risks from the PCCC risk register are reported onto the Corporate Risk Register.

Primary Care Commissioning Risk Report

1. Introduction

- 1.1. This report provides an updated position in respect of those risks that have been identified, assessed and categorised as having a potential impact on the CCG in relation to Primary Care.
- 1.2. The report presents the risk position and status as at **11 November 2019**.

2. Background

- 2.1. The Risk Register at **Appendix A** captures all risks, irrespective of risk level, that have been categorised by the risk owner with the potential to impact on the areas of responsibility of the Committee.
- 2.2. There are 36 risks being monitored across the organisation of which 1 is the responsibility of the Primary Care Commissioning Committee (PCCC). Of the 36 total:
 - 10 are strategic risks and are reported through the GBAF, 0 of which are included in the PCCC Risk Report ; and
 - 26 are operational risks and reported through the CCG risk register, 1 of which is included in the PCCC Risk Report.
- 2.3. An assessment of each risk is undertaken by the Risk Owner and validated by the Risk Manager, on a schedule specific and appropriate to each risk, with any changes or progress being recorded and outlined within the report. The responsible committee has an obligation for reviewing the risk, ensuring it is reflective and making any amends as necessary.
- 2.5. This report includes open risks, irrespective of risk score for risks assigned to this Committee and any risks that are the responsibility of the Primary Care Workstream, which, have a current risk level of 15 or more, and any risks which have been recommended for closure. It is the Committee's responsibility to oversee these risks, seek assurance that appropriate controls are in place to manage the risks and that actions are being implemented to further reduce the risk and achieve the target risk score.
- 2.4. The Committee is able to request that further risks are added to the register through the course of its work.

3. Risk Review

- 3.1. This section of the report provides a commentary on those risks which have been reviewed during the reporting month, and starts with a commentary on risks which have been reviewed during the reporting period where there has been no change in the risk score.

3.2 There is one risk included on the Primary Care Commissioning Committee risk register, however the Committee is reminded that this is reviewed on an annual basis, with the last review completed in January 2019 and the next risk assessment scheduled during January 2020.
